### 'New Quilts from an Old Favorite' Contest

On Friday, April 26th, during the Spring Paducah Quilt Show, the NQM had a "Meet & Greet" of the Winners & Finalists of the 2019 contest: "New Quilts from an Old Favorite." This year's Block was the *Oak Leaf & Reel*. The Museum created a book of the 21 winner's & finalist's quilts. Eight of us were able to attend the event to sign books. We were each asked to create a video interpreting our quilt designs. It was a fun afternoon! The Exhibit will travel the country through December of 2020. I just received a **Quilt Museum TV video link** from the Curator. Check it out [here](#). For information on the **NQM 2020 Contest: New Quilts from an Old Favorite**, Click [here](#).

## 2019 Spring Paducah Quilt Show

The Paducah Quilt Show is quite an experience each and every time I get to attend! Every aspect ... from the instructors & quilters, the vendors, visiting the downtown area, and of course, THE QUILTS!... are ALL memory makers! There is so much "eye candy" that it becomes overwhelming at times! My camera is FILLED with photos of wonderful quilts from the Show. I placed some of those quilt photos out on my blog so you could also enjoy them (Click [here](#)), along with additional photos of the Museum quilts. If you have never attended a Quilt Show in Paducah or the National Quilt Museum, you simply MUST go!!

The quilt in the photo (below) was one of my favorites

at the Show! The colors and the quilting were just beautiful!
