

Fall Mystery Quilt 2021 ©Design by Lori Dickman

Let's gather our fabric & supplies for the 2021 Fall MQ, which I am offering in two sizes:

Wall size (46" x 46") & Lap size (70" x 70"). However, this is a pattern that you can make *as large as you like*. Once you learn how to create the Two Blocks in the quilt, along with the pieced border, you can continue making blocks and adding the pieced border sections to obtain the size you desire!

The name I've given this quilt is "Purple Passion" based upon the colors I selected when I designed the quilt. However, my Scrappy Version of this quilt will not necessarily be of the purple family! Wait & See!

The fabric requirements are listed below. I am giving both **Yardage requirements**, as well as **Scrap requirements** since some of you may not have accumulated a scrap stash yet. When I create quilts, especially scrappy quilts, I always use three Values: Lights, Mediums & Darks to obtain depth & contrast.

Yardage Requirements:

Wall quilt:

Lights: 1 yard total

Mediums: 1 yard total (*Either use 2 different Medium-value fabrics or a variety of Mediums for a Scrappy quilt.*)

Darks: 1.25 yards total

Lap quilt:

Lights: 2.25 yards total

Mediums: 1.75 yards total (*Either use 2 different Medium-value fabrics or a variety of Mediums for a Scrappy quilt.*)

Darks: 2 yards total

Scrap Requirements; Pull from your stash :

You will want to **purchase a sheet of Template plastic** to trace the templates we'll be using. Here is a Hobby Lobby link for that (\$1.99 for a 12" x 18" piece.) <https://www.hobbylobby.com/Fabric-Sewing/Sewing-Quilting-Notions/Quilting-Tools/Quilters-Plastic-Template---12-x-18/p/45353>

The **weekend of Oct 2nd**, I will email to you a PDF of Instructions & Templates for **Block A**, which I will then **demonstrate on Monday night, Oct 4th** during the Zoom Class. **It is not necessary to cut any fabrics until you've watched the Monday night Demo on Oct 4th**. This way you'll have a clear understanding of how we'll be making the Fall Mystery Quilt!

For the time-being, gather your fabric yardage or scraps and template plastic.

See you in Class on Oct 4th!
