Fabric scraps to pull from your stash:

For EACH block, pull or cut:

Darks or Mediums: (4) 4.5” squares (red); (4) 2.5” squares (green)

Lights: (8) 2.5” squares

Light: (4) 5” squares (creams) Cut in half & trim ½” off one end to create 2 rectangles per square which will measure 2.5” x 4.5” for a total of (8) rectangles per block.

To make each block:

1. “Snowball” a Light 2.5” square “one” corner of “each” 4.5” red square. Snowballing simply means you’ll draw a diagonal line across the back of a 2.5” square and then place it (RST) on one corner of a 4.5” red square. Sew on the diagonal line. Trim away the excess; and press the light square away from the red flower petal square. (Re-watch video for step-by-step instructions.)

2. Next, snowball one corner of (4) light rectangles with a green 2.5” square. (Follow same process as above.) Trim away excess and press toward the dark.

3. Lay out the block as shown below and sew the 4 rows together. **Be sure to ORIENT Each Unit within the rows correctly...** follow the diagram.

Row one: 2.5” Lt. square; 4.5” Lt/Green rectangle; 4.5” Light rectangle; 2.5” Lt. square

Row two: 4.5” Light rectangle; 4.5” Red/Lt square; 4.5” Red/Lt square; 4.5” Lt/Green rectangle

Row three: 4.5” Lt/Green rectangle; 4.5” Red/Lt square; 4.5” Red/Lt square; 4.5” Lt. rectangle

Row four: 2.5” Lt square; 4.5” Lt rectangle; 4.5” Lt/Green rectangle; 2.5” Lt square

4. Square up the completed block to 12.5”

Quilt idea for you to try with your scrap stash!

The quilt diagram above simply uses sixteen of the 12” blocks in various scrappy colors and a triple border. Just imagine all you could do with this simple pattern! Create a quilt that is as large as you desire! “Sew” simple!

Happy Quilting!
