Scrappy Block Patterns use my “*Speedy Solutions Scrap Techniques*” by Lori Dickman; Watch the *Speedy Solutions Techniques* [Video Link HERE](#)

### Fabric scraps to pull from your stash:

For **EACH** block, pull or cut:

Strip Sets (3 strips in each set made using the following):

(1)Light: 2.5” x 6.5” and (2) Darks: 2.5” x 6.5”

Squares:

Mediums: (10) 2.5” squares (I used five each of two different

fabrics) and Darks: (4) 2.5” squares (I used four each of two different fabrics)

### **Create block:**

1. Create the strip sets by sewing a Dark strip to EACH Side of the Light strip as shown.
2. Create the 9-patch units by sewing (5) Mediums with (4) Darks 2.5” squares as shown.
3. Press the seams to the dark when possible. Square up EACH of the UNITS to 6.5”
4. Lay out each block as shown (below) ENSURING that the Strip Set units are ORIENTED correctly so they create the ‘twist and turn’ when the blocks are all sewn together.
5. Sew the Twist and Turn Block together as follows:

Row One: Strip Set unit & 9-patch unit.

Row Two: 9-patch unit and Strip Set unit.

**Press to the dark when possible. Square up the block to 12.5”**

Your “Twist & Turn” Block is ready to use!
