## “Hearts & Flowers” block 12.5” x 12.5”

Scrappy Block Patterns use my “*Speedy Solutions Scrap Techniques*” by Lori Dickman; Watch the *Speedy Solutions Techniques* [Video Link](#) [HERE](#)

### **Fabric scraps to pull from your stash:**

For EACH block, pull or cut:

Lights: (1) 12.5” Background square

Mediums: (4) 5” squares for Hearts, (1) 5” square for flower buds

Darks: (3-4) 5” squares for the leaves & stems

### **Create block:**

1. Using fusible web, trace the elements from the PDF onto the paper side of the fusible web. NOTE: Ignore the ¼” seam allowance lines when using fusible web; trace on the darker lines. Those ¼” seam allowances are for Needle-turn Applique.
2. Group ‘like’ items next to another to conserve fusible. Loosely cut around each grouped set of elements and fuse them to the WRONG side of the appropriate fabric.
3. Once fused, cut out the fused fabric elements ON the dark line; remove the paper.
4. Press the 12.5” background square in fourths so you have crease lines to guide you as you place the elements on the square.
5. Once you are pleased with the placement (be sure to leave at least ½” all around outside for seam allowance and a bit of light background showing...) then press the elements to the block.
6. Set up your machine for applique... use complimentary, contrast or monofilament thread. Applique each element. Use either an edge-stitch, blanket stitch, or a zig-zag stitch for applique.

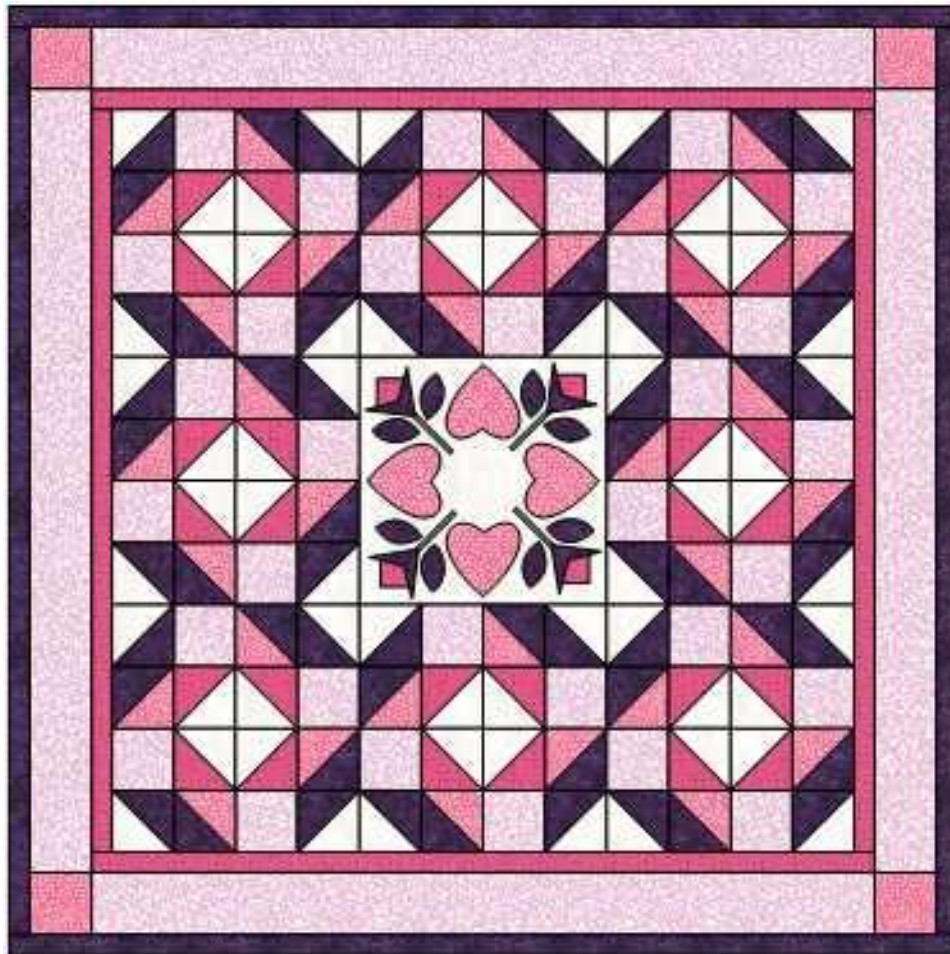

Your “Hearts & Flowers” Block is ready to use!
