Fabric scraps to pull from your stash:

For **EACH** block, pull or cut:

Lights: (12) 2.5” squares; (4) 3” squares for HST’s

Mediums & Darks: (16) 2.5” squares, (4) 3” squares for HST’s

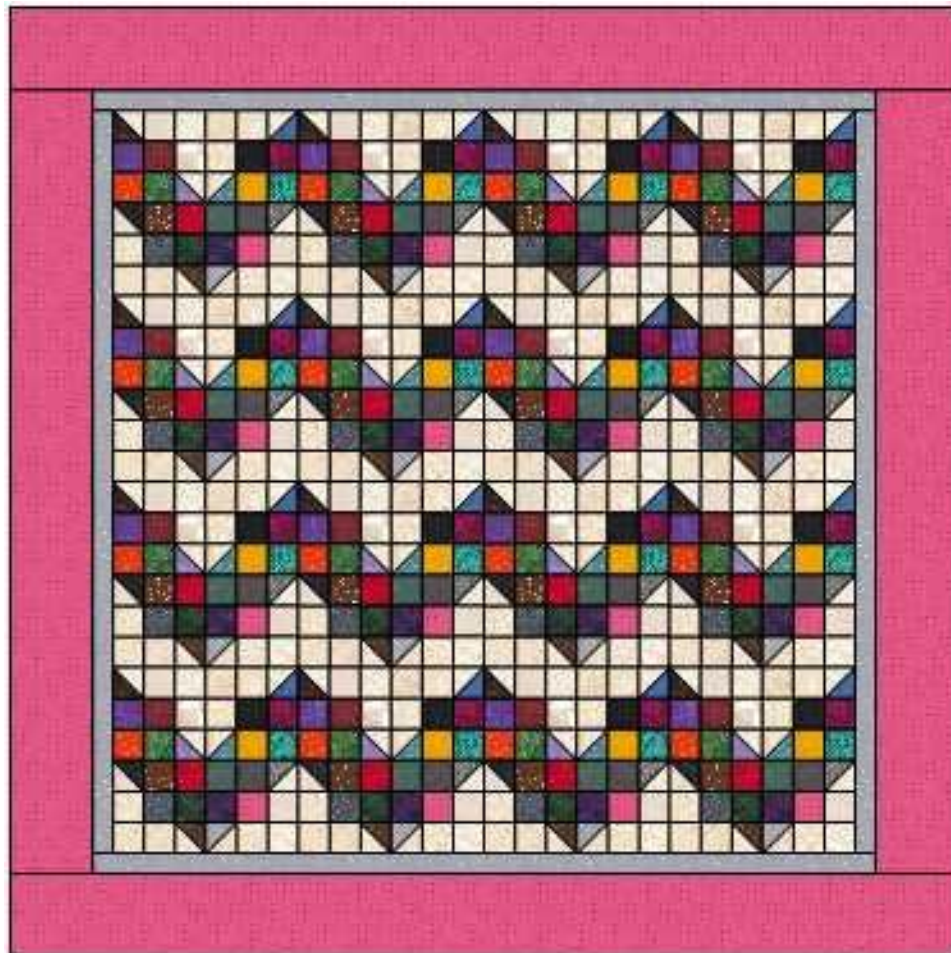

Create block:

1. First, make the HST’s using the 3” squares. Place a Light & either a Medium or a Dark 3” square (RST – right-sides together). Draw a diagonal line. Sew a scant $\frac{1}{4}$ ” on EACH side of the drawn line. Cut on the drawn line. Press to the dark. Square up EACH HST unit to 2.5”. Make a **total of (8) HST’s**.
2. Using the diagram of the Chevron Charms block (above), lay out the 2.5” squares and the 2.5” HST units in 6 rows of 6 columns as shown.
3. Sew the block together. Press rows toward the bottom of the block; press the columns to the right of the block.
4. Square up each completed block to 12.5”

Your “Chevron Charms” Block is ready to use!
