Fabric scraps to pull from your stash:

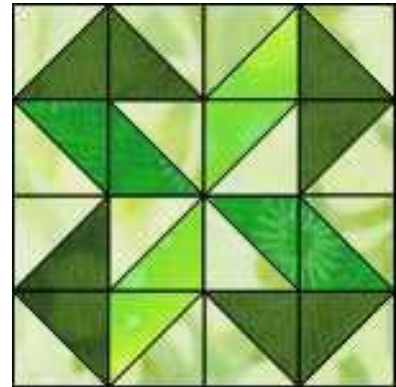

For **EACH** block, pull or cut:

Lights: (8) 4” squares for HST’s

Medium-A: (2) 4” squares for HST’s

Medium-B: (2) 4” squares for HST’s

Darks: (4) 4” squares for HST’s

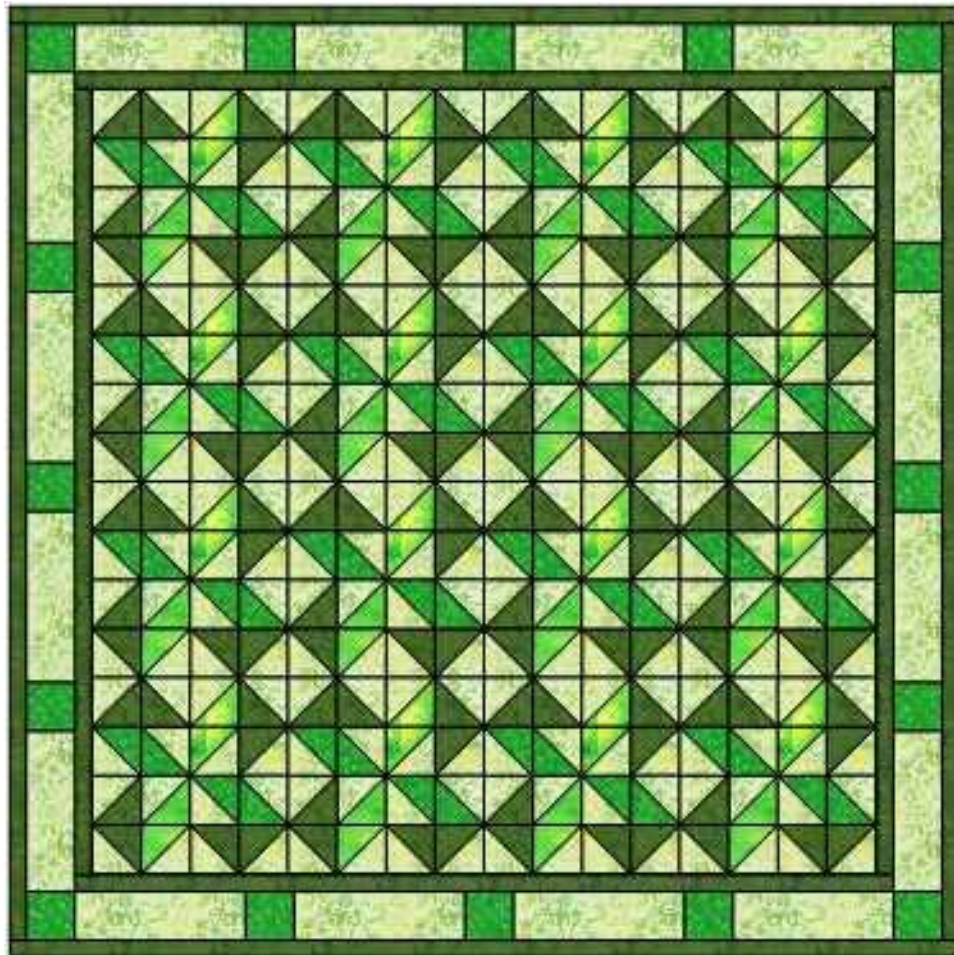

Create block:

1. First, make the HST’s using the 4” squares. Place (2) Lights with Medium-A’s (RST) and (2) Lights with Medium-B’s (RST). Also place (4) Lights with Darks (RST – right-sides together). Draw a diagonal line. Sew a scant ¼” on EACH side of the drawn line. Cut on the drawn line. Press to the darker side. Square up EACH HST unit to 3.5”. Make a **total of (4) Light/Medium-A HST’s; (4) Light/Medium-B HST’s; and (8) Light/Dark HST’s.**
2. Using the diagram of the “Colorado in the Spring” block (above), lay out the 3.5” HST’s in 4 rows of 4 columns as shown. Be sure to **ORIENT** each of the HST units as shown in each row.
3. Sew the block together. Press seams to the darker side whenever possible.
4. Square up each completed block to 12.5”

Your “*Colorado in the Spring*” Block is ready to use!
