Summer Sewing!

Are you looking for a Patriotic wall quilt pattern? I have just the pattern for you. The pattern is in my online store as an individual pattern [CLICK HERE](#), AND, it is also included in my “Scrappy Speedy Solutions Quilt Patterns” book! Link [HERE](#). If you already have the Scrappy Patterns book, then you already have this pattern!

To help you get this quilt ready to hang on your wall, porch or foyer, I have also created a Video Tutorial for this quilt out on my YouTube Channel (Link to the Stars & Stripes Video [HERE](#) and to my YouTube Channel [HERE](#)

Quilt ART Engagement Calendar 2024

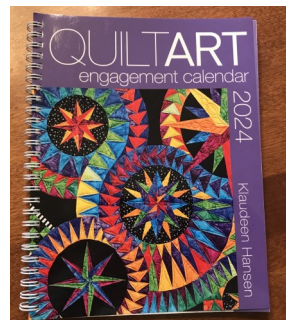

I am so excited to share that my paper-pieced quilt design “Shield Ferns” was selected by Klaudeen Hansen and was included in the QuiltART Engagement calendar for 2024. I designed and created this quilt in 2022. It was a thrill to see it in print in that book.

Klaudeen Hansen has created this Quilt ART Engagement Calendar for many years with American Quilter’s Society of Paducah, KY. The calendar features many beautiful quilts researched and selected by Klaudeen each year.

Sadly, Klaudeen Hansen passed away earlier this year. She will be missed by so many! She was a pioneer for the quilting world in so many different aspects. She was also a quilting judge, certified by the National Quilting Association, who judged thousands of quilts every year throughout the country.

You can order your copy of the Engagement calendars through the AQS website ([Link HERE](#)) or check with your local quilt shop!
