“Let’s Dig!” Scrappy Block 12.5” x 12.5”

Scrappy Block Patterns use my “*Speedy Solutions Scrap Techniques*” by Lori Dickman; Watch the *Speedy Solutions Techniques* [Video Link](#) [HERE](#)

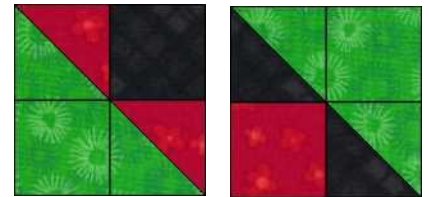

Fabric scraps to pull from your stash:

To create the TWO blocks:

Lights: (2) 6.5” squares (greens); (2) 7” squares HST’s (greens)

Mediums: (1) 6.5” square (red); (1) 7” square HST’s (red)

Darks: (1) 6.5” square (black); (1) 7” square HST’s (black)

Create the Block:

1. Create the HST’s first by pairing (1) Light (green) 7” square with (1) Medium (red) 7” square; and then (1) Light (green) 7” square with (1) Dark (black) 7” square. Draw a diagonal line from corner to corner; sew a Scant ¼” SA on EACH side of the Drawn line. Cut on the drawn line. Press SA to the dark. Square up EACH HST unit to 6.5” square. You will end up with (2) Green/Red HST units and (2) Green/Black HST units.
2. Piece the “Let’s Dig” Blocks together in a 4-patch unit as shown using the 6.5” HST units and the 6.5” Light (green), Dark (black) & Medium (red) squares. NOTE: Be sure to orient the HST units properly within the block.

Row One

Row One

Row Two

Row Two

3. Once sewn together, press & square up the block to 12.5”.
4. **For the “Let’s Dig” quilt, make (11) of EACH of the blocks.** Arrange them as shown on the quilt. (Shown on page 2 of this PDF.)
5. Add a Border or Borders! Gift the quilt to your favorite child who loves to use his backhoe to dig holes in the yard!

Your “*Let’s Dig*” Block is ready to use!
Happy Quilting! - Lori Dickman – [QuiltingWithLori.com](https://quiltingwithlori.com)

Below is an idea on a simple quilt layout for the “Let’s Dig” wall quilt!

There is so much you can do with the block & your imagination! Try a different arrangement of the blocks and see what YOU come up with! Share pics of your design on my Facebook page ([Scrap up Your Stash](#))!

Have fun using up your scraps to create beautiful quilts!

The layout below (4 rows across & 6 rows down) is 56” x 80”.
You could easily make this a 56” square quilt simply by making it 4 rows across & 4 rows down!
