Happy Quilting! - Lori Dickman – [QuiltingWithLori.com](https://quiltingwithlori.com/)

Below is an idea on a quilt layout for the “Streak of Lightning” wall quilt! You’ll notice that I ended up laying the quilt out in a fun square design instead of the streaks of lightning racing across the quilt! Have fun experimenting with this versatile block!

There is so much you can do with the block & your imagination!  
Try a different arrangement of the blocks and see what YOU come up with!  
Share pics of your design on my Facebook page ([Scrap up Your Stash](#))!

Have fun using up your scraps to create beautiful quilts!
