Cutting:

Always substitute the color of fabrics you plan to use for those listed below.

Light Blue background: (1) 9.5” square

Med. Pink 1: (1) 9.5” square

Supplies:

Print the Pdf of template for Hawaiian applique block at 100%

Applique thread (100 weight applique thread is best)

#10 Sharp needles

Applique pins

Marking pen (erasable or chalk)

Directions:

1. Print out the PDF at 100%. Use a paper scissors & cut it out on the DOTTED LINES! For Needleturn applique you NEED the ¼” seam allowances provided in the PDF.
2. Pin the applique PDF to your fabric; cut it out.
3. Mark the ¼” seam allowances using your marking pen or chalk.
4. Thread your needle.
5. Center your applique on the block by folding & pressing the background block in quarters (vertically & horizontally).
6. Align the fabric on the background block.
7. Begin by stitching from the back of your background block and bring the needle up right ON the marked line ... find a straight spot on the applique to begin. Turn the marked seam allowance under as you stitch. (Hence, the name “needle-turn”.)
8. Take a small stitch in the background fabric; then come up and take a small stitch in the applique fabric. Continue around, folding under at corners, clip into seam allowances as you go around curves to make the fabric turn under more easily.
9. When finished, tie off on the back of the background square.
- 10. Be sure your background block is SQUARED up to 9.5” square.**
