### Introduction and Supply List:

**NOTE: ZOOM LINK BELOW for ALL four CLASSES**

It's that time of year again! We all get to experience how to use up our Speedy Solutions Scrap Stash to make beautiful quilts and this Spring's Mystery Quilt *Dutchman's Crossing (90" x 90")* will be one of your favorites! This is a queen size quilt which I've designed for my teenage granddaughter's room. I'll be using a color palette of soft roses, greens, creams, and blacks/charcoals. (See paragraph 3 for more fabric selection ideas!)

If you don't already have your scrap stash cut, sorted, organized and ready to go to make beautiful quilts, be sure to watch/listen to my YouTube video tutorial here: [LINK](#) This link will take you to my YouTube channel and you'll find the tutorial is that top video listed on the channel right under my QWL Welcome banner.

If you do NOT have a scrap stash, NO WORRIES! All my patterns offer yardage to create the quilt. The yardage required for *Dutchman's Crossing* is listed below. PLUS, I have available some Resource Links on my website to give you some wonderful fabric options from which to choose: Check out the Strawberry Lemonade fabric line on [The Fat Quarter Shop](#); or the True Blue fabric line on [Connecting Threads](#).

Light fabric: 2.25 yards (mine will be creams)  
 Medium 1 fabric: 2-3/8 yards (mine will be soft greens)  
 Medium 2 fabric: 2-1/8 yards (mine will be soft roses)  
 Dark fabric: 2-5/8 yards (mine will be blacks/charcoals)

I do want to point out that students often like to wait to choose their fabrics AFTER Mystery Quilt Session #1... that way they have a better idea of what they want to use, but if you've made a number of my Mystery Quilts, you might be ready to jump right in!

**Bookmark this link on my website: "[Mystery Quilt Events](#)" as I will be posting more information out there for my Spring 2024 Mystery Quilt as we get closer to March 11, 2024 (our First class!)**
