Directions: (PRESS ALL SEAM ALLOWANCES TO THE DARK AS YOU SEW.)

1. Strip sets for sashing; Sew 1.5” WOF strips of Light Blue Background between (2) Medium Blue 1.5” WOF strips. Sub-cut those Strip sets into 9.5” sections for the sashings. Those strip sets should measure 3.5” x 9.5”
2. Make as many strip sets as necessary from your stash to acquire a total of (31) 3.5” x 9.5” sets. Press SA to the dark.
3. Construct a 9-patch with (4) Lt. blue background 1.5” squares, (4) Med blue 1.5” squares & (1) Dark Pink 1.5” square. Make (20) Cornerstones. Press to the dark SA. Cornerstones should measure 3.5” square.

4.  **Cornerstone/Sashing Rows:** Now sew (4) Cornerstone blocks & (3) Sashing strips together as shown in diagram.
5. Make a total of (5) of those **Cornerstone/Sashing Rows**.

6.  **Sashing/Block Rows:** Now sew (4) Sashing strips with (3) Sampler Blocks (as shown in diagram). Have fun deciding where you’d like each of your sampler blocks placed within the quilt!

7. Make a total of (4) **Sashing/Block Rows** using your Sashing strips and Sampler blocks.
8. Now, simply sew those Cornerstone/Sashing Rows with your Sashing/Block Rows to create the quilt center.
9. Outside Borders: First sew the (2) longer 1.5” x 51.5” Medium Pink borders to the sides of the quilt center. Then, sew the last (2) shorter 1.5” x 41.5” Medium Pink borders to the top and bottom of the quilt.

10. Congratulations! Your Sampler Quilt is ready to be pressed, quilted, bound & labeled!!

NOTE: Larger OUTSIDE Border; in the video you saw that I used an ADDITIONAL 3.5” border on the outside of my quilt. You’ll need approximately 3/4 yard of fabric for this additional border. I cut (6) 4” WOF cuts from my fabric; pieced them together & then sub-cut them for the length and the width of the quilt. I pressed the SA to the dark!
