# Rectangle Quilt Blocks from WOF Strips

## How to sub-cut rectangles from WOF strips in various sizes:

- a. 1.5" WOF strips: sub-cut 2.5" rectangles
- b. 2.0" WOF strips: sub-cut 3.5" rectangles
- c. 2.5" WOF strips: sub-cut 4.5" rectangles
- d. 3.0" WOF strips: sub-cut 5.5" rectangles

Shown above are a few variations of the rectangle blocks we have created over the last 3 weeks. Have fun using them as you create your own quilt designs!

Create 'mirror images' of blocks 3 and 4 (replacing lights & darks in opposite corners of each block) and you'll be surprised how many options you'll find available as you put your quilt(s) together!

USE UP your stash and create gorgeous quilts for you, your family & friends!
