“New Year Nine Patch” block 12.5” x 12.5”

Scrappy Block Patterns use my “*Speedy Solutions Scrap Techniques*” by Lori Dickman;
Watch my *Speedy Solutions Techniques* [Video Link](#) [HERE](#)

Fabric scraps to pull from your stash:

For EACH block, pull or cut:

Lights, Mediums & Darks: (72) 1.5” squares

Lights: (2) 7” squares (cut in half; trim off ½” from one end to create (4) rectangles that measure 3.5” x 6.5”) OR, simply pull 3.5” WOF strips & sub cut into 3.5” x 6.5” rectangles.

Create block:

1. Create a total of (4) 9-patch units with the 1.5” squares.
(For this 9-patch block, you may press seams ‘open’ or nest them.) Square up the corner units to 3.5.”
2. Then either create (4) additional 9-patch units & sew them together to create the center 36-patch unit; OR sew (36) 1.5” squares together to create this center unit. Square it up to 6.5”
3. Create (4) rectangles by cutting the Light 7” squares in half; then trim off ½” from one end of the rectangles so they each measure: 3.5” x 6.5,” OR simply su-cutting 3.5” WOF strips into 6.5” rectangles.
4. You can “web” your units & blocks together as shown in the video, OR you can simply sew the New Year’s Nine-Patch Block together as follows:

Row One: 9-patch unit; rectangle unit; 9-patch unit.

Row Two: Rectangle unit, 36-patch unit, rectangle unit.

Row Three: 9-patch unit, rectangle unit, 9-patch unit.

Sew the 3 rows together. Press. Square up the block to 12.5"

Your "New Year's Nine-Patch" Block is ready to use!

Quilt Idea (below) using the "New Year Nine-Patch" Block!
Set each block 'on-point.' Make extra 9-patch units to use for the
setting squares and corner units.

Also, create 9-patch units for the entire border using 1.5" squares from
your stash. Audition a favorite fabric that will work beautifully with
your *New Year Nine Patch* quilt!
